

**YEAR GROUP: Year 1**

**DATE: February / March**

**TIME ALLOCATION: 6 weeks**

**TEACHER: Mrs Mirabitor & Mrs Hitchmough**

## Why is our world wonderful?

**English**  
In English, we will be looking at William Shakespeare and we will be reading *The Tempest*. We will be looking at the characters and the main plot and we will be using drama techniques to help our understanding. We will also look at poetry and learn how to use poetic devices to create a descriptive poem about a storm.

**Maths**  
In maths this half term, we will continue to look at place value within 20. We will become secure in our understanding of tens and ones and we will then start to apply this knowledge to addition and subtraction. We will use a range of materials to help us with our understanding and application.

**Science**  
In Science this half term, we will look at seasonal change. We will discuss what happens at the start of Spring whilst also discussing what happens in the other seasons. We will also carry out a whole school investigation as part of British Science and Engineering Week and continue our topic on plants.

**Computing**  
In computing, we will be learning about programming. The children will understand that programming is the process of writing computer programs and that these are a series of instructions given to a computer in order to carry out certain operations.

**Religious Education**  
Our topic in RE this half term is, 'Who is Jewish and how do they live?'

**Geography**  
We will be looking at different landmarks around the world whilst also looking at important landmarks in the UK. We will also study our local area whilst looking at natural habitats.

**History**  
We will not be focussing on history this term.

**Art and Design**  
We will be exploring sculpture and looking at how we can create 3D pieces of art from a range of materials including paper and card.

**Design Technology**  
We will be looking at levers and sliders as we make a moving picture story book.

**Music**  
In music this half term, we will look at timbre and rhythmic patterns whilst using Fairytales as our stimulus.

**Physical Education**  
This half term, we will be learning fundamental skills such as throwing, catching and rolling to apply to a range of net and wall games.

**WHY?**  
The children will gain an understanding of what a landmark is and learn the names of some famous ones in the UK and from around the World.

<b>WOW:</b> Looking at the Wonders of the World - both natural and man made.	<b>OUTCOME:</b> To be able to name and describe landmarks near and far.
---	--

- SMSC**
- Have respect for the beliefs and values of others.
