

YEAR GROUP: 3

DATE: September / October 2023

TIME ALLOCATION: 7 weeks

TEACHER: Miss Adderley

English
In English, we will be looking at instructional writing. First, we will develop an understanding of the features of this writing, followed by writing our own instructional piece. This will be supported by books about the Stone Age era, mainly focussing on 'The Stone Age Boy.' We will then look at a number of shape poems.

What changes were there from the

Maths
In maths this half term, we will be looking at number. We will start by having a deeper understanding of place value, which will then support our work on addition and subtraction at the end of the term.

Computing
Our topic this half term is 'branching databases'. The children will be able to design and create a range of programs and systems that collect, analyse and evaluate data and information

Religious Education
In RE this term, we will be looking at the creation story and what Christians can

Geography
This half term we are focussing on History and will look at Geography next half term.

History
Our topic this half term is based on the Stone Age. We will be looking at a range of different aspects of this time period. We will be looking at and reading a range of Stone Age stories, exploring how the houses and society changed and how this period influenced today.

Science
In science this half term, we will be focusing on the topic 'light'. In this topic, we will be looking at different light sources, how light is reflected and investigating how shadows are made.

WHY?
We hope to gain a deeper understanding of how this time period has had an influence on our lives today. We have a cross-curricular approach to learning and will use a range of skills to delve deeper into the Stone Age people way of life.

WOW: Making Stone Age tools.	OUTCOME: 3D model of Stone Age tools.
--	---

Art and Design
In Art this half term, we will be looking at growing artists. We will be looking at observation drawing skills to create detailed botanical pictures.

Design Technology
This half term, we are focusing on Art and will look at DT next half term.
