

YEAR GROUP: 3

DATE: November / December 2023

TIME ALLOCATION: 7 weeks

TEACHER: Miss Adderley

English
This half term, our book that we will be focussing on is 'Charlie and the Chocolate Factory.' We will be looking at different features of a letter and then planning and writing our own letters to Willy Wonka.

Maths
This term, we will be finishing off our addition and subtraction topic. Then we will move onto multiplication and division, where we will be focusing on our 3, 4 and 8 times tables.

Science
In science this half term, we will be looking at the food that humans and animals eat and also how the skeleton and muscles of a human are different to other animals.

Why do people live near Volcanoes?

WHY?
We are going to identify the two different types of volcanoes and why they are formed. We will also learn how to identify different types of rocks.

WOW:
To understand how volcanos are formed using 3D models.

OUTCOME:
To be able to look at the positives and negatives of living near a volcano.

Computing
In computing this half term, we will be looking at creating media. In this topic we will be understanding what an animation is and then making our own animation.

Religious Education
In RE this term, we will be looking at what it is like for someone to follow a God.

Geography
This term, we are going to be looking at and identifying different types of volcanoes and the positives and negatives to living near a volcano. We will also be looking at different types of rocks.

History
This half term, we are focusing on geography; we will be revisiting history in the Spring term.

Art and Design
This half term, we are focusing on DT; we will go back to art in the Spring term.

Design Technology
This term we will be looking at mechanisms and focusing on understanding pneumatic systems and how they work.

Music
Music is not being taught this half term.

Physical Education
In PE, we will be focussing on basketball.
