

For homework this term, the theme is 'Antarctica'.

We will be learning about the explorer Shackleton and looking at whether anyone lives in Antarctica.

### English

You can take inspiration from a famous writer or create your own poem describing the landscape of Antarctica.

### Art

Choose an animal or the scenery of Antarctica and draw it. Maybe create a picture of a penguin or depict the landscape of Antarctica.

#### You must:

- Hand in your homework on time
- Select two activities you find the most interesting and complete them.
- Hand in date: Monday 12<sup>th</sup> February 2024

Friday

### Science

Does warm water freeze quicker than cold water?  
Why does salt melt ice quicker?  
Research and carryout your own experiment. There are lots of experiments online, just Google 'ice experiments for children'. Don't forget to send me some pictures and write down what you have found.

### Geography

Research the explorer Shackleton.  
Can you plot one of Shackleton's expeditions on a map?  
Research who he is and creatively display the information you have found.
