

For homework this term, the theme is rivers.

We will be looking at how rivers are used and we will be learning about the water cycle.

English

Create a leaflet about how people should help the environment by reducing their water usage.

Art

Creatively show the stages of the water cycle. You can draw, paint or use different media to display your knowledge of the water cycle.

You must:

- Hand in your homework on time
- Select two activities you find the most interesting and complete them.
- Hand in date: Monday 20th May 2024

Geography

On a world map, can you pinpoint the world's largest, well-known rivers.

Challenge:

Can you label at least one river in each continent?

Research

Research one of the world's rivers and create a poster about it.

Make sure that you draw a picture of it, say where it is in the world, label the parts of the river and tell us some interesting facts about it.
