

For homework this term, the theme is: Life in the Alps.  
We will be looking at physical geography.

### Research project

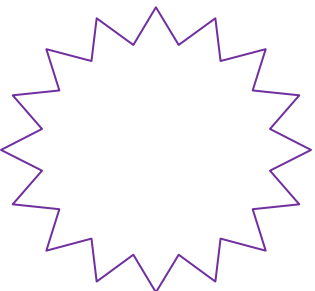

Research the Alps and create a similarities and differences table, comparing the Alps to the UK. Think about the weather, population, average salary etc.

### Map of the Alps

Find where the Alps is located on a map and label some other interesting landmarks or places that can be found there.

#### You must:

- Hand in your homework on time.
- Select two activities you find the most interesting.
- Hand in date: Monday 16<sup>th</sup> October.
- Practise your spellings ready for the test each Friday.

### Creative modeling

Create a model of the mountainous region of the Alps. Look at pictures and complete some research to make your model as accurate as possible.

### A diary entry

Put yourself in the shoes of someone living in the Alps. Write a diary entry of what they get up to through the week.
