

For homework this term, the theme is: 'Did the Greg family have a positive impact on our local area?'

Research project

Complete research into how children were used in mills, during the Industrial Revolution and create an informative page outlining the facts.

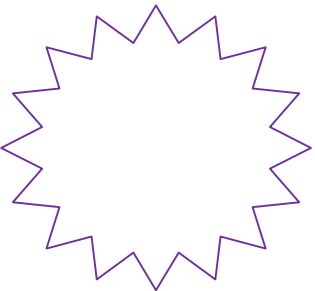

Artwork

Create a drawing of a skyline during the Industrial Revolution. Use shading to recreate the dark, smoky tones that would have been visible.

You must:

- Hand in your homework on time.
- Select two activities you find the most interesting and complete them.
- Hand in date: Monday 25th March 2024

Times Tables test

Creative writing

Write a short story, where a modern day person time-travels to Samuel Greg's era. Explore their reactions to the Industrial Revolution and its impact on society, comparing it to their modern day life.

Family Tree

Research the Greg Family and create a family tree, outlining what certain people did in relation to the Industrial Revolution.
