Save the Rainforest!

An area of rainforest the size of a football field is being destroyed each second.

Create a poster or a leaflet to persuade people to help protect the Rainforest.

Think about: - Why are they cutting down the rainforests? - Who is doing this? - Who does it affect? - What can we do to help?

Rainforest Products

Find out about products which come from the rainforest.

Identify what they are used for and who uses them. - Which of these products do you use in your home? - How far have these products had to travel for you to use them?

Present your findings on a fact sheet.
