

## For homework this term, the theme is: South America and the Amazon Rainforest

### Research project

#### People of the Rainforest

Find out about a tribe who live in the Amazon Rainforest, using the following questions to help you. Where do they live? Do they have houses? What do they eat? How do they get their food? What do they wear? What language do they speak? Do children attend school? Be creative with the presentation of your findings.

### ART

Design your own rainforest animal. Invent your own rainforest creature. Draw or make your animal and write a description of it. This must be at least half a side of A4.

Think about: what it is like; where it lives (which layer of the forest); what it looks like; what it eats (diet); who hunts it (predators).

#### You must:

- Hand in your homework on time.
- Select two activities you find the most interesting and complete them.
- Hand in date: Monday 25<sup>th</sup> March 2024

#### Monday

#### Tuesday

#### Wednesday

#### Thursday

#### Friday

Spelling assessment

### Save the Rainforest!

An area of rainforest the size of a football field is being destroyed each second. Create a poster or a leaflet to persuade people to help protect the rainforest.

Think about: Why are people cutting down the rainforests? Who is doing this? Who does it affect? What can we do to help?

### Rainforest Products

Find out about products which come from the rainforest.

Identify what they are used for and who uses them. Which of these products do you use in your home? How far have these products had to travel for you to use them?

Present your findings on a fact sheet.
