Dear Parents/Carers,

Relationship and Sex Education 2020

We are writing to you in response to the changes in the Statutory Guidance for the Teaching of RSE (Relationship and sex education) from September 2020.

We had planned to deliver a 'Parents Consultation Evening' within the summer term. However, due to the ongoing school closure and social distancing requirements, this will be no longer practical. I would therefore like to share with you a booklet that outlines the content of what we had planned to present.

Over the last academic year, we have introduced and begun to implement a PSHCE Scheme called 'Jigsaw' across the whole school. The sessions are delivered on a weekly basis and the work from each year group is celebrated within a weekly 'Jigsaw Assembly'. It has proven to be extremely beneficial for our children.

The feedback we have received from our children, staff, Governors and Ofsted have been overwhelming. Continuation to use this program allows us to deliver the new Statutory Guidance for RSE across all the Key Stages.

The attached booklet provides more information on the delivery and content of the program. Please read through the booklet, and if you have any questions or concerns, feel free to email me on [click here](#) or parentconsultation@chantlersschool.co.uk

We look forward to hearing from you in due course.

Yours faithfully,

Ms. T Lucas
Assistant Headteacher
Early Years Leader
