Dear Philip,

I am writing to congratulate you on the fantastic news that a higher percentage of your pupils achieved the national expected standard in reading, writing and mathematics in their KS2 results.

It is a testament to your excellent teachers and pupils that your school has been able to adjust well to the more demanding curriculum.

Please pass on my thanks to all of your staff and pupils for their success and I wish you all the best for the future.

Best wishes,

James Frith MP
