Dear Philip,

Congratulations to you and everyone at your school for your achievements in the national tests last year. At SSAT we believe it's important to celebrate and share the success stories of schools across the network who have gone above and beyond, so I'm delighted to announce that your school has won an SSAT Educational Outcomes award for **Children's Attainment - top 20% and Children's Progress - top 20%**. This means that your school has enabled pupils' attainment at the 'expected and 'higher' standard at KS2 in Reading, Writing and Maths to be in the top 20% of all schools nationally, and has enabled pupils to make progress in Reading, Writing and Maths which is significantly higher than the national average at KS2, and is among the top 20% across all schools nationally.

Congratulations on your SSAT Educational Outcomes Award, sponsored by Lexonik

Available only to SSAT network members, the awards are based on data from the SSAT Educational Outcomes database – a unique performance analysis tool combining DfE and Ofsted sources, showing data for every state-funded school in the country. You can use it to compare your performance with other schools, and at SSAT we use it to identify SSAT Educational Outcomes Awards winners.

Watch out for your SSAT Educational Outcomes Award Winner logo which will be emailed to you shortly, to add to your website and stationery. The email will also contain a press release template to help you to communicate your success to your local press and community.

Celebrate your success at a regional SSAT Educational Outcomes Awards ceremony

I'm delighted to offer you an invitation to a celebration event, at no extra cost, to take place in your region during the summer term. We will be in touch soon with further details on the date, venue and how you can ensure you can be there to receive your award alongside other high-performing schools in your area. Your constant hard work and dedication is an inspiration to the community which we're proud to highlight and share with the SSAT network.

You can access the SSAT Educational Outcomes database online by signing into the Exchange, at **ssatuk.co.uk/the-exchange**. To see specific details of your school's performance, simply apply the relevant filters on the spreadsheet. If you need help, please email **primary@ssatuk.co.uk**.

Sincere congratulations once again from everyone at SSAT to you, your team and your students. I look forward to meeting you at your regional awards event.

With best wishes,

A handwritten signature in black ink that reads 'Sue Williamson'.
