

Bury Local Authority Catering Service

Food for Life Served Here: We've been awarded!

Would you like to sign your child up for our award-winning school lunches prepared by Bury Catering? Get in touch with the school office by emailing chantlers@bury.gov.uk for more information.

We're excited to let you know that our school lunches are award winning! Our caterer, **Bury Catering**, have been awarded the **Bronze Food for Life Served Here Award** by the Soil Association. This award, from the UK's leading food and farming charity recognises their dedication to providing students with lunches that reach, and go beyond, the national **School Food Standards**. In short, sugary snacks and fizzy drinks are out and fresh fruit and vegetables are in.

This prestigious certification from the UK's leading food and farming charity recognises our dedication to providing school that are not only delicious, but are good for our children's health, nature and the climate. It cements our commitment to serving food that adheres to the national **School Food Standards**, making healthy eating easy for pupils.

- **Meat and eggs are all sourced from the UK**, from good animal welfare systems **fish** is not endangered, and all our meat and eggs can be traced back to the farm. We only source from farmers who champion animal welfare.

The ingredients we use are completely **free from nasty additives**, trans fats and GMOs. As well as all this, our menus are inclusive of cultural and dietary needs.

- We understand that every child has unique requirements and it's important to us that everyone is catered for.
- By opting to use **seasonal ingredients** and **cooking food from scratch** we are **lowering carbon emissions** and reducing the negative impact of our food on the environment, meaning that our menus are sustainable.

We know that food is a vital part of education, and understand that fresh, healthy food is what young minds need to grow and develop. That's why our varied menus include a range of options to make healthy eating easier for everyone.

If you're as proud as we are that our pupils are fuelled by fresh, healthy and sustainable food, we'd love it if you could help us spread the word. Connect with Food for Life Served Here on Twitter @SAFoodforLife or Facebook www.facebook.com/SAfoodforlife and tag our caterer on Facebook **Schools Catering Service – Bury Council**.
